Notice Regarding Acquisition of Shares of ADC Corporation by a Consolidated Subsidiary (Conversion of ADC Corporation into a Subsidiary)

A&D Company, Limited, (Head office: Toshima-ku, Tokyo; Representative Director: Yasunobu Morishima), a consolidated subsidiary of A&D HOLON Holdings Company, Limited (the “Company”), resolved at a meeting of its Board of Directors held on July 10, 2026, to acquire all issued shares of ADC CORPORATION ("ADC") and make it a subsidiary.

1. Reason for the Share Acquisition

The A&D HOLON Group (the “Group”) operates businesses in Measuring and Weighing Equipment Business, Medical and Healthcare Equipment Business, and Semiconductor-related Business, with “measuring” technology as its core. Through strengthening its existing businesses and creating new growth opportunities, the Group aims to achieve sustainable growth and enhance corporate value. In particular, the electronic measurement field, which is expected to expand against the backdrop of increasing industrial sophistication and digitalization, is positioned as one of the important business areas that will drive future growth.

ADC possesses advanced technological capabilities and a stable customer base in the field of electronic measuring instruments and enjoys a strong reputation among users, particularly in precision measurement applications for the semiconductor and electronic components industries. Furthermore, the technologies and product portfolio owned by ADC have a high degree of compatibility with the Group’s Measuring and Weighing Equipment Business, creating opportunities to enhance business value through mutual complementarity.

Through this acquisition, the Group intends to leverage its measurement and weighing technologies, manufacturing capabilities, and global sales network together with ADC’s measurement technologies and customer base. The Company believes that these synergies will contribute to the Group's sustainable growth and enhancement of corporate value, and therefore has decided to acquire the shares of ADC.
